Important Resources for Practitioners

The [coronavirus pandemic](#) is impacting millions of people around the world. In times like these, providing effective and ongoing client care is as critical as ever. That's why we're providing these resources for healthcare professionals.

Start telehealth for free:

Customers new to SimplePractice can [start a free trial](#), including free Telehealth video appointments for 30 days.

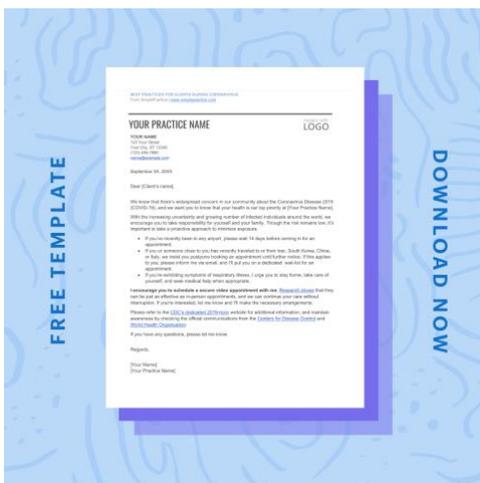

Free CE Course:

[Telehealth: Legal and Ethical Issues](#)

(1 hr CE, FREE until end of March)

Dr. Ben Caldwell shows you how to run a telehealth practice in a legally and ethically compliant manner—includes specific issues like state lines and crisis care.

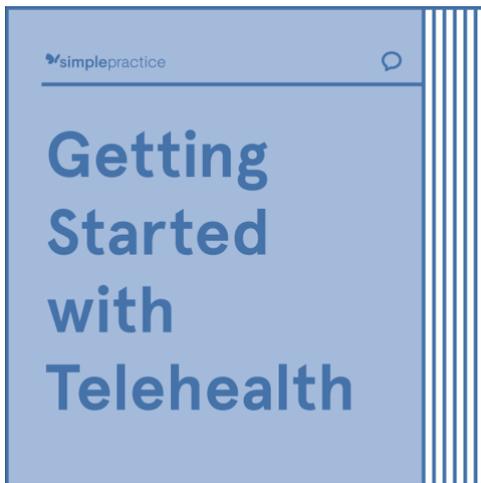

Blog:

[Providing continuity of care](#) in the face of COVID-19 is important to minimize any disruption in your clients' care. So, what does this mean for you?

Ebook:

The [Telehealth in Private Practice Guide](#) includes basic tips and instructions on how to join a video session as well as some FAQs to make your first video call a success.

Client Guide:

The [Getting Started with Telehealth Guide for Clients](#) provides helpful instructions so your clients can feel comfortable and confident using Telehealth by SimplePractice.

CE Course:

[HIPAA for Mental Health Professionals](#)

(1.5 hr CE | \$23)

HIPAA compliance can be easy if you follow all of the necessary steps. This course reviews privacy policies, the compliance file, steps to take in risk assessment, and more. Katie Malinski, LCSW, walks through these requirements with realism and a sense of humor.

CE Course:

[Telehealth: Getting Started](#)

(1 hr CE | \$19)

For therapists considering offering telehealth services, Melissa Douglass offers a clear, practical path forward. This course includes terminology, key considerations, tips, and a demonstration of telehealth in practice.

*This promotion is only available to new SimplePractice customers. By signing up using the "start a free trial" link above, you'll receive a free 30-day trial. You will not receive this promotion if you're a current SimplePractice customer

Get tips on how to use SimplePractice in our [Help Center](#).

CE Provider Approvals

APA: SimplePractice is approved by the American Psychological Association to sponsor continuing education for psychologists. SimplePractice maintains responsibility for this program and its content. **Not all courses offered by SimplePractice qualify for CE for Psychologists. Please see specific course pages or our [CE for Psychologists page](#) to determine which courses fall within our APA approval.**

NBCC: SimplePractice has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 6961. **Programs that do not qualify for NBCC credit are clearly identified.** SimplePractice is solely responsible for all aspects of the programs.

CAMFT CEPA: SimplePractice is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LPCCs, LCSWs, and LEPs (CAMFT CEPA provider #145276). SimplePractice maintains responsibility for this program and its content. Courses meet the qualifications for the listed hours of continuing education credit for LMFTs, LCSWs, LPCCs, and/or LEPs as required by the California Board of Behavioral Sciences.

NAADAC: SimplePractice has been approved by NAADAC as an Approved Education Provider, NAADAC Provider #186410. SimplePractice is responsible for all aspects of our programming. **NAADAC approves specific course offerings, and not all SimplePractice Learning courses are NAADAC-approved.** Please see specific course pages for NAADAC approval information. Courses that do not qualify for NAADAC CE are clearly identified.

For complete information on our CE provider approvals, visit our [Approvals page](#).

For information on accommodations, refunds, and other policies, visit our [FAQ page](#).
